BEST WAY TO COLLABORATE

Make collaboration part of your day. Share moments and ideas with others on a canvas that is as big as your vision.

ENGAGING

TILE reimagines the experience so that you can unlock the power of the group. Share content effortlessly, so that you spend your time connecting to people rather than technology.

DESIGNED FOR MODERN WORKPLACES & LOBBY

TILE integrates beautifully into the modern workplace, enabling productivity in any space where people come together to get things done. The fully integrated design, and flexible mounting configurations makes this the solution for your need.

TOUCH

Recognize up to 100 touch points with precision, allowing multiple people to interact with the screen simultaneously.

WINDOWS

TILE is based on SKIN ULTRA technology that runs on Windows, macOS, Android, Ubuntu and Chrome OS.

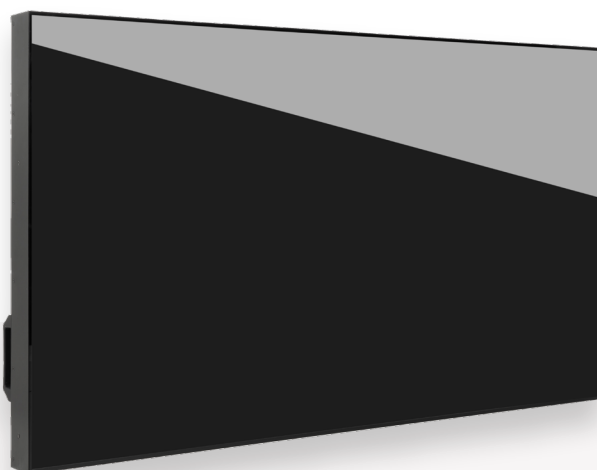

OFFICE

Compatible with Google Play and Microsoft Store to be used with apps like Whiteboard, OneNote, Word, Excel, and PowerPoint, or any available.
