

## Double columned stand on wheels

### **062.7205 Double columned stand on wheels electrical adjustment max. 84 inch, 120 kg BLACK**

This black trolley offers thanks to its double columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client.

The stand offers an integrated bracket with a VESA of maximum 600-400. Product is good accessible with the accessories of the floor lifts (for example five surface solution, soundbar bracket or a compact locking lid can easily be utilized). Besides that, handles are now available for all floor stands with a lift system.
